

Investment Objective

The Dean Mid Cap Value Fund seeks long-term capital appreciation and secondarily, dividend income.

Investment Philosophy

As traditional value investors, we believe that focusing on high quality companies that are undervalued for transitory reasons can lead to above average returns.

We believe that risk-adjusted performance can be enhanced by emphasizing stocks which exhibit the best risk/reward relationship (limited downside risk with meaningful upside potential).

Calendar Year Total Returns

Mid Cap investing involves greater risk not associated with investing in more established companies, such as greater price volatility, business risk, less liquidity, and increased competitive threat.

About the Fund Advisor

Dean Investment Associates, LLC, 3500 Pentagon Blvd., Suite 200, Beavercreek, Ohio 45431 serves as investment advisor to the Dean Funds. Dean is a registered investment advisor and the money management arm of C.H. Dean, LLC, a privately held investment management and financial services firm.
