

**Investment Objective**

The Dean Equity Income Fund seeks long-term capital appreciation with an income focus.

**Investment Philosophy**

As traditional value investors, we believe that focusing on high quality companies that are undervalued for transitory reasons can lead to above average returns.

We believe that risk-adjusted performance can be enhanced by emphasizing stocks which exhibit the best risk/reward relationship (limited downside risk with meaningful upside potential).

Dean, LLC.

### Important Risk Information

<sup>1</sup>The Russell 1000 Value Index measures the performance of the 1,000 largest U.S. companies based on total market capitalization with lower price-to-book ratios and lower forecasted growth values. The performance of the index does not reflect deductions for fees, expenses, or taxes. Index is not available for purchase.

<sup>2</sup>The Russell 1000 Index is a subset of the Russell 3000 Index that includes approximately 1,000 of the largest companies in the U.S. equity universe.

<sup>3</sup>Information provided with respect to the Fund's Portfolio Holdings and Company information are as of 3/31/24 and are subject to change at any time. Current and future portfolio holdings are subject to risk.

Large Cap investing involves risk not associated with investing in smaller companies, such as being unable to attain the high growth rates of successful, smaller companies during periods of economic expansion.

Limited History of Operations. The Fund is a new mutual fund and has a limited history of operations for investors to evaluate. Investors in the Fund bear the risk that the Fund may not be successful in implementing its investment strategies, may be unable to implement certain of its investment strategies, or may fail to attract sufficient assets, any of which could result in the Fund being liquidated and terminated at any time without shareholder approval and at a time that may not be favorable for all shareholders. Such a liquidation could have negative tax consequences for shareholders and will cause shareholders to incur expenses of liquidation.

**Investors should consider the investment objectives, risks, charges, and expenses of the fund carefully before investing. The prospectus contains this and other important information about the Fund and may be obtained by calling 888.899.8343. Read it carefully before you invest.**
